

So far, three letters describe June...**HOT!** Hope you are staying **COOL!**

HOBY Seminar Weekend was held June 3 – 5. I had the opportunity to represent MFWC as the Tenth Grade HOBY Ambassadors registered at Millsaps and then as I attended the closing ceremonies. I was delighted to hear that one of the Community Service Projects of the weekend was to volunteer with the Mississippi Food Network. Thank you for MFWC's support of HOBY, "Building our Volunteers for Tomorrow". Also, congratulations to our own MFWC Clubwoman, Belinda Peacher, the consultant for Mississippi HOBY, on a successful HOBY Seminar!

On to the 120<sup>th</sup> GFWC International Convention in Milwaukee, Wisconsin!! I am excited about proudly carrying our Mississippi flag for our MFWC President Tammie McCoy in the Opening Ceremonies. The white gloves are already packed! I have been asked to serve as a Timekeeper at the Convention. This will be quite the experience! Thank you for giving me this opportunity.

Time in June hopefully to relax and then to reflect on the past club year! And, of course, to make plans to Renew, Retain, and Recruit Membership! Don't forget...Summer is a great time to "Warm-up Members".

STAY : **C**aring,  
**O**pen,  
**O**utstanding,  
**L**eaders!!

With a Volunteer Team Spirit,

Suzanne
