

Thank you for joining me on Snippets for a short visit!

Well, March as predicted did go “out” like a lion!! But, gorgeous blue skies were overhead as I traveled to the Conventions in Districts V, I, and II. Warm and welcoming MFWC Clubwomen were there to greet me as we began a day to celebrate the accomplishments of a year’s worth of volunteering. I always think of those our Clubs reached out to as the real winners!! “Fellowship, Fun, Friends, Food” made for “Fabulous” days!!!

Now, April Showers! Hopefully, the rain drops will fall gently in just the right amount needed to make our seeds sprout and grow! The Membership Emphasis for this “Season” is “Growing MFWC Members”. Don’t forget, three new members this season and your Club can be recognized in the GFWC Clubwoman Magazine! If

raindrops do fall this season, try to remember...Yes, they are necessary to grow! AND what a great opportunity to use that new MFWC umbrella!!

Time is almost here for the MFWC State Convention! It promises to be a rewarding time for MFWC MEMBERS!! Guest speakers, recognitions, information, inspiration, entertainment, door prizes, opportunities to own, brunch, banquet, breakfast, renewing friendships, favors, decorations, not to mention SHOPPING are just a “FEW” things that I am looking forward to enjoying!!! HOPE to see YOU in Raymond at the Eagle Ridge Conference Center April 15 - 16!

With a Volunteer Team Spirit,

*Suzanne*
