

SEEING RED!

When I think of February, I “See RED”! No, I’m not “Seeing RED” because I am angry, BUT because there are so many “RED VOLUNTEER opportunities” for our MFWC Clubwomen in February.

- ♥ National Wear RED Day – Wear RED to show support for Women’s HEART Health.
- ♥ Valentine’s Day –Participate in Valentines for Veterans, an annual exchange to send greetings to local Veterans through Administration Hospitals and Military Retirement Facilities.
- ♥ Bags of CHEER - Deliver bags filled with “RED” inspired happies for groups such as adult cancer patients in a nearby hospital or senior citizens in your community.
- ♥ Warm Hearts – Provide supplies for a special time at a Domestic Violence Center or Children’s Center.
- ♥ Presidents Day – Celebrate with RED, white, and blue as we honor all of our Nation’s Leaders. Read the *Constitution*. Visit a National Park. Share a CHERRY pie with a neighbor, family, or another MFWC Clubwoman!

I, also, have the opportunity to “SEE RED” on the happy smiles of our MFWC Chairmen on Judging Day as they read about the Volunteer Projects and Programs of our MFWC Local Clubs! What a time of celebration! February certainly provides MANY OPPORTUNITIES to “SEE RED”!

An MFWC Clubwoman Is like a Valentine
Bringing others pleasure
By warming hearts, brightening days, and always kind
Yes, an MFWC Clubwoman is quite a treasure!

With a Volunteer Team Spirit,
Suzanne
