

March

Do you remember hearing the weather saying: “If March comes in like a lamb, it will go out like a lion”? For the first two MFWC District Conventions this certainly was true!

At the District IV Convention in Greenwood, blue skies met me as I arrived to the coolness of spring in the air! Congratulations to all Clubs in District IV for all of the meaningful projects and programs that you shared with us! Thank you for your hospitality.

As I began my journey to Pontotoc for the District III Convention, drops of rain splattered on my windshield! BUT, the rain outside did not follow The Clubwomen of District III inside! I was met with bright smiles and a warm welcome. I want to congratulate the Clubs in District III for all of their engaging projects and programs! Thank you for your warm generosity.

Best wishes to Districts V, I, and II as they prepare for their conventions. Whatever the weather brings, lamb or lion, the day will be a special time of enthusiasm to celebrate volunteerism!

Our new Membership slogan for the Spring Season is “Growing Members”. We need the warmth of the sun and the drops of rain to grow the seeds that we plant...as we “GROW MFWC Clubwomen”!

With a Volunteer Team Spirit,
Suzanne
