

Is everyone enjoying this fabulous weather? I believe, we all answered with a unanimous “YES!” or “AMEN!” I am enjoying just being outside to walk or to sip my hot tea or Diet Coke sitting on the porch.

October brings many things: Football Games, Soccer Games, Halloween, Harvest Festivals, Club Fundraising Events, Breast Cancer Awareness Events, Domestic Violence Awareness Events, Trick-or-Treating for UNICEF, and, of course, the Southern Region Conference.

Are those leaves falling from the trees in your yard? Are you “Raking Them In”? Remember we WANT to “Rake in New Members” as well! When your Club gets 3 new members, let me know so I can congratulate you in the November and December Snippets then complete then form and send it to GFWC for your Club’s name to appear in the *Clubwoman* magazine. I want to see a LONG list from Mississippi!!

I am anticipating an enjoyable time of learning and sharing at SRC. I already have my white gloves in my suitcase. I will wear the gloves when I proudly carry the Mississippi Flag for Madame GFWC-MFWC President Tammie McCoy in the Processional at the Southern Region Conference. I, also, look forward to beaming with pride when JoAnne Reid is introduced as SRC Treasurer, Judy Martin as SRC Parliamentarian, Carolyn Huey and Tammie McCoy as SRC Board Members.

Have a Great October! I hope this gives you a chuckle!

Where did the goblin throw the football?
