Hello to you as well as the cooler weather!!!!

When the “Spider Lilies” appear, football fans get excited, yellow buses roll down the highways, AND GFWC-MFWC CLUBS are busy preparing for the new club year and the first club meeting, the SEASON is changing!! Remember: *Three New Members is a Great Reason to Recruit This SEASON!*

Several Clubs have invited me to visit at their September Meetings. My first stop is the Philadelphia Woman’s Club, next the Star Woman’s Club, then the GFWC-MFWC Florentine Club for their morning meeting, and finish the month with the GFWC-MFWC Florentine Evening Club. I would so enjoy visiting ALL of our GFWC-MFWC Local Clubs!! Hopefully, this is just the beginning of my travels! (Invite me!! :))

The Crystal Springs Floral Club is meeting at our MFWC Headquarters for their September Meeting. Thank you for the invitation to meet with you! Since I had a prior commitment, I will not get to visit. I know I am leaving you in good hands!!! Please send me another invitation.

For the “Fall” Season, we will “Rake in New Members”. I would like to post Clubs’ names that “**Rake In**” *Three New Members for the Fall Season!* Please let me know when you reach this goal so that I can add your Club’s name to this group! (suzpoynor@aol.com) I am anticipating a LONG LIST!

This semester, I teach on Mondays and Wednesdays only! Labor Day was our first school holiday. Even though classes have JUST begun, it was so welcome! I hope each of you had a safe and pleasant Labor Day Holiday.

With a Volunteer Team Spirit,
Suzanne
