

Ladies

I hope that each of you have survived the hot weather that we have experienced this summer. I know that many of you have worked on club projects during the extremely hot temperatures and "glistened" like I have done.

I am looking forward to a wonderful new club year. This year should be a breeze since we have ALL of the documents that we need from GFWC. Likewise, Lisa has updated our directory and has posted important information on our website. Please take the time to visit the site frequently!!!

Are
you
Getting
your Club
Set
To Accomplish Great Things for the next year.

Thanks for all of the hard work that you do in volunteering in your community. Please let me know if I can assist your club in any way.

Remember that we are: *Team MFWC: One STRONG Voice for Volunteerism.*

Love in Volunteer Service,

Tammie
