

February is a special month for MFWC.

First, Libby and I get to read reports from clubwomen across Mississippi. It is certainly a pleasure to “see” all of the hard work that is done!!! I know that our MFWC Voice has become even stronger.

Second, member of the MFWC board congregate at Headquarters in Jackson for our Winter Board Meeting. It is certainly a pleasure to mingle with fellow volunteers from all across the state.

Third, February 11 is a special day for MFWC: **REPORTS** are judged. The suspense is building to see which clubs win what place in all the categories. I can hardly wait myself.

Fourth, our district conventions begin on February 25th. District V will hold the first meeting. Suzanne and I are looking forward to traveling and visiting with ladies from all over Mississippi.

Friday, February 3rd is National Wear RED day. Join ladies from all across the country in support of Heart Health by putting on your best red article of clothing.

Your communities could not ask for a better Valentine present: your work. It continues to be needed every day and in many ways.
