These were my words in the January tidbit last year. I am sending the same thoughts to you again because they remain very pertinent to this upcoming year. You do make a difference and your hard work does matter. I am always proud to service as your president.

Thank you for being a part of TEAM MFWC: One Strong Voice for Volunteerism.

Love in Volunteer Service.

P.S. My mail lady is waiting for all of those reports. She tells me that I am very popular during early February. She probably thinks that I have lots of "happy" notes. Well that is so true, I do enjoy reading about your club's accomplishments over the last year.

Remember February 1<sup>st</sup> is the postmark deadline for your reports.

Hope to see each of you very soon!!!
