

Dear Fellow Clubwomen:

Happy Fall!!!! It is wonderful to experience an occasional bout of cooler weather. The leaves are beginning to turn and look absolutely gorgeous. With the change in weather, I know that you are ready to push up your sleeves, get energetic and resourceful, and sponsor great club programs and projects that change the lives of others in your local community.

Some special items of interest this month:

First, I would like to encourage each club and CLUB MEMBER to participate in our Day of Service on October 22. Please join our Southern Region Sisters in working together on Make a Difference Day. The focus is on collecting socks to give a boost to those in need. Just imagine, what a difference WE can make when we all work together to assist with this project.

Secondly, Suzanne and I would love to have you join us at the Southern Region Conference in Tampa, Florida. We will again host a reception for our Mississippi delegation and other SRC attendees. We are also looking forward to a fun night in pirate costumes and some karaoke. We know that you do not want to miss the fun, the networking, or the opportunity to learn more about Federation.

This month is filled with wonderful ideas for club projects: From Breast Cancer and Domestic Awareness to Collections for UNICEF, Food Pantries, and Winter Coat Closets. The sky is the limit! Take another opportunity to let your caring work benefit others.

Lastly, Mandy is working on plans for our Juniorette retreat in November. Please encourage every Juniorette to come and join the fun. The retreat will be at headquarter and, of course, Mandy has several wonderful things planned!! She will send more information shortly.

Key words in GFWC work:

O pportunity
C aring
T houghtful
O pen-hearted
B eneficial
E nergetic
R esourceful

Thanks again for all that you do in your community.

Love in Volunteer Service,

Jammie

Team MFWC: One Strong Voice for Volunteerism.

Congratulations to Iuka Twentieth Century Club for 75 years of Community Service. Your work continues to shine.
