## A Message From Sherri E. Reid

Hello from Petal, MS

I miss you all, I hate not being able to come and see you for club meetings. But we all need to stay safe. If you are having a club meeting or function, please let me know and if able I can social distance and wear a mask with the best of you!

I am so proud of our MS Federated ladies who are on the GFWC board. Shout out to them and all they are accomplishing for us in the General Federation. Darlene Adams, Tammie McCoy and Becky Wright are representing Mississippi...well like Mississippi would want to be represented.

As we look to January, I know reporting is on all of our minds. If you have any questions make sure and direct those to Carolyn Tedford, she has been very diligent in putting everything together from GFWC to be available to you for direction and information.

During these different times, please be in touch and supportive with all of your federation sisters. We are planning our district conventions and our State convention, I am not sure how it will look for 2021 but however we come together I am thankful that we will come together!! I have missed you and am anxiously waiting to come together with you.

Do something today, that your future self will thank you for! Plant, Recycle & Pick it up!!

Living the volunteer dream,  
Sherri

## "A History of the Mississippi Federation of Women's Clubs"

Administration of Mrs. H. J. (Mamie F.) Wilson

1936 - 1938

- 🌳 Twentieth President of the MFWC from Hazelhurst, MS.
- 🌳 The theme of her administration was, "Building for a More Intelligent Citizenry."

### Highlights of this Administration

- Mrs. Wilson is the subject of one of the most famous stories about the MFWC. The gist of the story is that the Mississippi Highway Department planned to widen North State Street where the Federation Headquarters is located. If this widening took place, a magnolia tree in front of the headquarters would be sacrificed. To protest this proposed action, accounts exist stating that Mrs. Wilson climbed up into the tree and sat there until the Highway Department gave up its plan to cut the tree. This event supposedly occurred in the late 1930's. The editor of this history was unable to document this from records of the period.
- The thirty ninth annual convention of the MFWC, held in Greenwood in November 1937, was presided over by Mrs. Wilson. Highlights from the convention are:
  - Eighteen new clubs and three hundred seven new members.
  - During her annual report to the convention, Mrs. Wilson summarized some of Federation accomplishments:
    - ♦ The first being the completion and furnishing of the Headquarters, the organization of many Junior Clubs and the work being done to build an annex to Charity Hospital for the treatment of indigent cripples and cancer patients.
    - ♦ Working with the Research Club of Jackson, the Federation had funded the purchased of two iron lungs for the treatment of polio victims.
- The fortieth annual convention of the MFWC was held in Jackson, MS at the Edwards Hotel in November, 1938. This convention highlighted Mrs. Wilson's theme of "Building for a Better Citizenry" and was the fortieth anniversary celebration of the Federation.
  - Highlights from this convention include the following:
    - ♦ Thirty seven clubs and one affiliated organization had joined the Federation in 1938 and that 1,483 delegates had attended club institutes in the spring of 1938.
    - ♦ As a member of the Mississippi Library Commission, Mrs. Wilson had worked for the passage of the General Library Law and for increased appropriations for library work in the state.

(Continued on page 6)

## GFWC Women's History and Resource Center - Exploring Our Roots

(Continued from page 5)

- ♦ In honor of the Federation's fortieth birthday, a historical pageant, THE FLOWERING OF THE DISTAFF, was presented. This pageant highlighted the history of education of Mississippi women.
- ♦ Another special event was a banquet sponsored by the Pioneers and Past President's Club, at which portraits of the Federation's founder, Mrs. Coleman, and its second president, Mrs. Weems, were unveiled.
- ♦ The Public Health Committee reported achieving its three goals: the establishment of a state Safety Committee by Governor White, the passage by the Legislature of the Uniform Drivers License Law, the establishment of the Highway Safety Patrol, and that public safety instructions had been made a part of curriculum of every state school.

Mr. Joel Serafin is looking for information on his grandmother, Mrs. W. R. Stricklin.

Mrs. W. R. Stricklin was a member of the 20<sup>th</sup> Century Club in Newton from 1933-1945 and was the club's President multiple times. In 1937, she was the Historian for her district at a statewide meeting. Her report was selected as best in the state. Mr. Serafin is in the middle of a family research project and I would like to have a copy of her report and any other info about her you may have.

If you have any information on Mrs. W. R. Stricklin and/or know where Mr. Serafin can find any information on his grandmother, please email

this information to Lisa A. Harris at [lisaharris@outlook.com](mailto:lisaharris@outlook.com).

# ESO (Epsilon Sigma Omicron)

*Submitted by Laura Ann Trigg, GFWC-MFWC ESO Chairman.*

Greetings my fellow GFWC-MFWC club members! I hope your Club's year is off to a great start. As your GFWC *Epsilon Sigma Omicron* or ESO chairman, I wanted to take this opportunity to encourage each of you to join the ESO program.

While we are all staying as safe as possible during the COVID Pandemic, there is no better time to devote our time to reading. Joining ESO is as simple as following the guidelines on our GFWC-MFWC website. ESO provides clubwomen with a structured reading program that is educational and stimulates a desire for self-improvement.

Members can participate in ESO as part of a reading group or on their own. The program provides membership, awards and certificates, pins, reading lists, and a framework in which to pursue continued self-improvement through reading.

First you apply then begin reading! It is that simple. Always remember, *"Books are the quietest and most constant of friends; they are the most accessible and wisest of counselors, and the most patient of teachers"*. – Charles W. Eliot

Visit our website at [GFWC\\_MFWC\\_ESO \(gfwc-mfwc.org\)](http://GFWC_MFWC_ESO(gfwc-mfwc.org)) for more information on the GFWC and GFWC-MFWC ESO programs. This page also includes such ESO Resources as the Handbook, Pledge Application, Book Report Form and Book Reading List and GFWC-MFWC President's Pick Reading List. Both the Handbook and GFWC Reading List have been up-date for the 2020-2022 administration.

I look forward to hearing from my fellow federated sisters. You may contact me for further information or questions at [trigg1@wcsdms.com](mailto:trigg1@wcsdms.com).

Note from Sherri E. Reid about her President's Pick of the Month.

I am so excited to share this book with you. It definitely goes along "Do something today that your future self will thank you for" .

It can be a bit overwhelming at first but it gives each one of us responsibility for conservation. Very readable, he shows you how the problems are fixable and does so in a very simple manner.

I hope you enjoy the book and are able to put some of his ideas into practice.

# **GFWC-MFWC LEADS**

## **(Leadership Education and Development Seminar)**

*Submitted by Melba Watkins, GFWC-MFWC Leadership & LEADS Chairman*

For many of us the last several months have been a steamroller of challenges which have, in many cases, put our club work and responsibilities on the back burner. Certainly, I am one of those but the time is now to get on the move and get things done. 2020 is nearing an end and 2021 brings new areas to be addressed.

My duty is to organize and plan the LEADS workshops and at this point a decision has been made to send a representative for both 2020 and 2021 to the summer convention. That means twice as much leadership being able to learn from GFWC and to meet new friends.

I need for each club president to email, text or call me with the name of your LEADS nominee so that I can begin working with them on our workshop. At this point, I don't know if we will be doing a virtual or an in-person meeting but we will work that out soon.

I look forward to hearing from you soon, hopefully, within the next week.

Thank you for your assistance and your continued volunteer service, locally and worldwide.

Melba Watkins

# GFWC-MFWC Reporting Guidelines

## Update for 2020

*Submitted by Carolyn S. Tedford, GFWC-MFWC Vice President.*

Once again the time of reporting and award entries is almost upon us. Despite the challenges of this year each of you and your clubs have made a vast impact on our communities and the lives of others. We can't wait to read your reports which will reflect all the innovative ways that you have accomplished this feat in the face of the challenges of this year. I want to encourage you to share your stories through reporting to give others insight and momentum to continue making a difference in the lives of others as well as to celebrate the successes of your club.

The GFWC-MFWC Reporting Guidebook, Report Card and Cover Sheet have been updated to reflect the GFWC changes and updates. The Reporting Cover Sheet is posted on the website. The Reporting Guidebook contains instructions for successfully completing reports for GFWC-MFWC President's Special Project, GFWC-MFWC Special Emphasis Programs, GFWC Special Programs, GFWC Community Service Programs, and GFWC Advancement Plans. Do not hesitate to reach out to me or the chairmen. I will be contacting Club Presidents this month to check in to see if there is any questions or issues that I can help clarify. ### REPORTING GUIDELINES FOR 2020-2022

1. To report your club's statistics in each of the Community Service Programs (CSP) and Advancement Plans (APs), complete one GFWC-MFWC Report Cover Sheet for each CSP and APs. Reports should cover club activities from January 1 through December 31 of the previous year.

supporting documents.

- Carolyn S. Tedford, GFWC-MFWC Vice President/Dean of Chairmen. Send 3 copies (1 original and 2 copies) of GFWC-MFWC Report Cover Sheet, narrative and supporting material for each report.

### SPECIAL REPORTING TIPS

- Read the GFWC Guide for each Special Program, CSP and APs.
- Follow the GFWC Guide. This is what makes award-winning clubs.
- Report everything that your club does - if unsure where to report a project, just put in the place where it makes the most sense.
- The number of members involved in the project cannot exceed the number of club members - even if you work with another group - you just have X number of members.
- 1935 Society and 1734 Society go under Women's History and Resource Center.
- HOBY should be included in Education and Libraries CSP Report.
- ESO. Projects involving ESO should be reported under Education & Libraries CSP, adhering to GFWC guidelines for ESO. ESO Books Read (from the GFWC ESO List and the MFWC ESO list) and Hours should be reported on the Statistical Form under ESO.
- Youth Art should be reported under Arts & Culture.
- GFWC Clubwoman should be reported under Advancement Area – Communications.
- In order to “count” for reporting, the activity must be a club-sanctioned event or a club approved event or project.
- Several clubs put monthly report forms for general members in their handbook and have a door prize drawing for those who turned in a report form for that month.
- You may split report, i.e., funds raised, publicity, and the project – but you cannot count in three places. Please make a note when you split report (for example: dollars

raised reported under Fundraising).

### JUDGING PROCESS

- State Chairmen will judge your report. Neither the GFWC-MFWC President nor GFWC-MFWC Vice President judges any reports.
- Awards will be given to all areas reported on the GFWC-MFWC Statistical report. There will not be separate awards for partnerships as they are included in the CSP reports.
- Chairpersons do not judge reports in their district.
- Awards for five placements or top five scores will be granted to each District for the CSP, Advancement Plans, GFWC Signature Programs and GFWC-MFWC Special Emphasis Programs. Clubs will be awarded these five places according to the top scores at each District Conventions in 2021 and 2022. Clubs will also be awarded at the State level for the top five scores at the State Convention in April.

### REPORT FORMS:

# Disposing of Your Christmas Tree

*Source: Dispose of Your Christmas Tree at <https://www.lowes.com/n/how-to/dispose-of-your-Christmas-tree>.*

When Christmas is over and it is now time to dispose of your live Christmas tree in a safe, environmentally-friendly manner using these tips and get ready for a fresh start in the new year.

Don't wait for your tree to dry out before removing it. As trees dry out, they become more likely to become fire hazards. First, remove the tree stand, tree skirt, all ornaments and lights before throwing out your live Christmas tree. Have a bucket or other large container nearby to dump water that may have collected in the tree stand.

Next, use a large, plastic tree bag to cover the tree before removing it from the inside of your home. You can also use an old blanket or sheet to wrap around the tree. This will prevent needles and sap from making a mess on your carpet or hardwood floors.

Finally, carry the tree to the curb, making sure not to obstruct any roads or sidewalks. Arrange for pickup by your local

yard waste management program if you don't already have this service.

## Tree Clean Up

Dry trees begin to drop their needles, creating a larger mess for you to clean up. Sweep up scattered pine needles with a broom instead of vacuuming. Needles can clog and damage vacuum cleaners.

Check for water damage to your flooring after removing the tree. Overwatering during the holidays may have caused water to spill over or collect at the base of the tree stand. If there's water damage, clean and steam carpets to prevent mold buildup.

## Recycle your Christmas Tree

Many communities offer curbside pickup of Christmas trees after the season is over. Check with your local county waste management department for specific guidelines.

General best practices include:

- Clean the tree of all ornaments, tinsel and lights.
- Cut the tree into 4 ft. portions for easy curb pickup.

- Cut smaller trees into chunks to fit inside your yard waste container.

Also, check with your local recycling center for free drop-off locations. Oftentimes these centers will chip and shred your tree for use as mulch or as part of soil erosion programs. Your Christmas tree mulch can be used as an erosion barrier for lake and river shoreline management or as soft bedding for parks and playgrounds in your community.

## Get Creative with your Christmas Tree

With a little imagination, your Christmas tree can be used for a multitude of purposes after the holidays are over.

- Pond Habitat — Sink pieces of your tree into a backyard pond as a refuge and feeding area for fish.
- Decorate — Cut pieces of this year's tree to use as

ornaments on next year's. Thin slices of the trunk create a blank canvas that can be decorated and then strung with a piece of ribbon.

- Bird House — Stand your tree or a few of the larger branches in your back yard as an organic feeder and sanctuary for birds. Place pinecones filled with peanut butter and birdseed in the branches along with

strung popcorn and fresh orange slices. The birds will appreciate the food, and you can enjoy some

great winter bird-watching from your window.

- Coasters — Cut and treat discs from the tree trunk to

use as coasters.

- Mulch — Chip up the trunk and branches to create mulch for your garden come spring. You can also place entire branches under trees and shrubs as temporary winter mulch.

### Caution

Never burn a pine tree in your fireplace or stove. Evergreen trees

contain high levels of flammable turpentine oils and may cause flare-ups and chimney fires.

*The best of all gifts around any Christmas tree: the presence of a happy family all wrapped up in each other.*

## December 19: Give a Living Memorial to Veterans

By Nancy Greenberg, GFWC Civic Engagement and Outreach Community Service Program Chairman

*"We are forever indebted to those who have given their lives that we may be free." –President Ronald Reagan*

Join our nation as it celebrates National Wreaths Across America Day on Saturday, December 19, 2020. Fresh evergreen wreaths are a living memorial to veterans and their families.

According to the Wreaths Across America organization: "There is no better time to express our appreciation than during the hustle and bustle of the holiday season. Each December on National Wreaths Across America Day, the mission to remember, honor, and teach is carried out by coordinating wreath-laying ceremonies at Arlington National Cemetery as well as at more than 1,600 participating locations, to show our veterans and their families that we will never forget their service."

Clubs can support Wreaths Across America by donating to the national organization: sponsoring a \$15 wreath for a veteran, signing up as a fundraising group, or placing wreaths at a local or national cemetery. If there is not a Wreaths Across America ceremony program near your club, consider becoming a location coordinator for a cemetery in your area. There is no cost to host a Wreaths Across America ceremony. You have the option of fundraising for your own program or attending a ceremony at a statehouse or state veterans cemetery.

For additional information, visit [www.wreathsassacrossamerica.org](http://www.wreathsassacrossamerica.org). On this website, you can also subscribe to the [Wreaths Across America Newsletter](#).

In the center, there are three green wreaths arranged horizontally. Above each wreath is a green banner with white text: "REMEMBER", "HONOR", and "TEACH". Below the wreaths, the text "WREATHS across AMERICA" is written in large, bold, black letters. Underneath that, in red and black text, is the phrase "Remember the fallen. Honor those who serve. Teach the next Generation". Below this, the event details are listed: "Saturday, December 19, 2020 at 11:00 a.m. Carnegie Library, Okolona, MS". At the bottom, it says "Sponsored in part by the GFWC-MFWC Lanier Club".

The new CSP structure created in this Administration allows you to dive even deeper into the work of our Affiliates by expanding the scope in which we engage with each organization. It is important that you and your club understand the projects that each Affiliate Organizations promotes and how they can create an impact in your community and beyond. GFWC hopes that you will be inspired by this webinar and that it will move you to bring the work of our Affiliates to your clubs, communities, and State Federations.

### St. Jude's New Volunteer Management System

For more than 60 years, ALSAC has raised the funds necessary to support St. Jude Children's Research Hospital. As an organization that implements more than 30,000 events a year, it saw the need for a tool that would be more inclusive of an army of volunteers in day-to-day operations.

The new Volunteer Management System makes it easy for volunteers to serve the organization. You can search for volunteer opportunities, register to serve, and track your volunteer hours all in one place. ALSAC would like to ensure volunteers have all of the tools and resources needed to effectively serve in their roles, and this new system does exactly that.
